COMPLAINT

Special Counsel/FBI Director Robert S. Mueller et al.,
Defendants

Judge Ellen Segal Huvelle

Notice of Appeal of Memorandum and Order dated March 6th, 2019
*** My Motion was docketed on December 14th, 2018. Neither party objected or responded. ***

Judge Huvelle argues my case for me. On behalf of the American People and the Constitution all she had to do was ask for responses and or objections. Ask FBI Director/Special Counsel if my allegations (Judge Huvelle repeatedly references my "allegations" and then discounts them even though I provided factual proof.) were true. Federal Rules of Civil Procedure require a Response or Objection and if none is filed then the Joinder/Intervention is automatically granted.

Judge Huvelle's Memorandum and Order were Preemptory. This harmed all Americans.

How many Air Force Officers are there that have been classified as a terrorist by Mueller? She acted as the Special Counsel.

Judge Huvelle: "(Corsi) illegally surveilled him and defamed him".

I was declared to be a terrorist in a very public marketing campaign by FBI Director/Special Counsel Robert Mueller and it continues today. I am under 24-hour surveillance and constantly harassed. Being an Air Force Officer and declared to be a terrorist is unequivocally slander and deformation.

On March 15th, 2011 I was arrested for cyberstalking an FBI Agent with a Misdemeanor Louisiana Warrant, not Federal. I WAS NEVER CHARGED WITH A CRIME! They asked for a \$500,000.00 bond but settled on a \$300,000.00 bond. They placed me in isolation for 11 days and medicated me against my will. Future Attorney General and ex US Attorney Matthew Whitaker, US Attorney Linda Mott, US Attorney Billy Gibbons, etc. represented me and gave away all of my rights. This gets stranger. Upon my release I was ordered to leave the state of Louisiana and seek treatment for an unspecified mental illness. I was constantly harassed and threatened. Here is how sadistic Mueller is. An FBI Agent put a gun to my head with the safety off and the hammer pulled back. He threatened to kill me if I didn't stop my quest to save Mankind. He laughingly told me he would get away with it. I knew he was telling the truth. Mueller murdered Federal Whistleblower Coast Guard Commander William Goetze four months after my false arrest using the same technique but before they murdered him, they had him strapped to a wheelchair in Federal Court where they would tase him every time he tried to speak. Mueller did such a great job defaming us that all Federal Judges were afraid of us.

Here is the deformation. The first press release was issued by WDSU and the New Orleans Times Picayune/NOLA which is attached. The Department of Justice/Robert Mueller gave the media this information: "Christenson allegedly sent the e-mails after an FBI agent interviewed him last month about "inappropriate" e-mails Christenson sent to judges and their employees, the station reports." I had been filing court pleadings and sending informative emails for years before I was interviewed and threatened. Mueller had convinced the entire Federal Judiciary that I was a terrorist and that I was going to kill Federal Judges. I was barred from entering all Federal Courthouses to file pleadings.

Why? The coverup of the release of chemical warfare contaminates (I call them the Katrina Virus) during Hurricane Katrina and the US Military murdering Americans. I was to be silenced.

Our Government knows that Mankind will cease to exist by October 12th, 2050 and that suicides will outnumber births by then. You see our government was working on the perfect military weapon in New Orleans. That weapon was organic, easy to disperse, dissipated in five days and cause the opposing army to commit suicide. I filed a report with the Rand Corporation which then conducted a study. In the 10 years following Hurricane Katrina suicides increased 300%-400% in New Orleans and South Louisiana.

I have provided Grand Jury testimonies and transcripts that confirm what I am stating.

Judge Huvelle: "(Corsi) "independent investigation".

I am a Federal Whistleblower that has been conducting an independent investigation.

Judge Huvelle: "Christenson's motion to join appears to be premised on the allegation that he has been a target of surveillance by some of the same defendants named in Corsi's complaint."

I have been and continue to be under illegal surveillance by the same defendants. I had to wear an electronic ankle monitor for 120 days. I receive up to 10 phone calls a day from the FBI in New Orleans.

Judge Huvelle: "He identifies no statutory right to intervene, and the Court is not aware of any such right."

The surveillance and deformation are the same for Corsi and myself. The Constitution/First Amendment/Last sentence - *and to petition the Government for a redress of grievances* allow me to join an existing case that has the same defendants. The claims, cause and standing are the same for both of us.

Judge Huvelle: "impaired or impeded"

This is the opposite of what it should be. Corsi and myself were victims of criminally illegal surveillance that resulted in deformation by the same defendants.

Judge Huvelle: "1 Christenson makes no claims that could be construed to relate, even tangentially, to Corsi's allegations against the Post."

This is absolutely not true. I have been communicating (I am a tenacious communicator) with the Washington Post for years. The Washington Post has an ethical and moral obligation to this country and

they receive special privileges because they accept those obligations. The Washington Post was silent and allowed me to be defamed and harmed. This silence harmed all Americans and Mankind. The silence was egregious, malicious and intentional. They are part of the coverup of the Genocide of Mankind.

Judge Huvelle: "The court "enjoys considerable discretion to grant or deny permissive intervention.""

Surely the court had some curiosity about me being a terrorist. Judge Huvelle could have waited to rule until she received objections and or responses. Her Memorandum and Opinion was preemptive.

*** My Motion was docketed on December 14th, 2018. Neither party objected or responded. ***

The Appeal is based on the preemptive Memorandum Opinion and Order.

Judge Huvelle's last sentence is the most heinous and does the most harm to the American People because it is pure censorship and a violation of the Constitution and the First Amendment. "Since he may not intervene, the Clerk's office is instructed not to file any further pleadings by Christenson in this case. SO ORDERED."

- I should have been allowed to cure the defects and address her concerns.

I have attached the Non-Domestic Stay Away Order. 74 people. Mueller is on it. My attorneys, friends, Catholic Bishop, Catholic Ozanam homeless shelter, two US Senators, US Marshals etc. One third are Federal Court Clerks but not one Federal Judge. Review the email addresses.

Godspeed

Just what are inappropriate emails sent to official email addresses? Are inappropriate emails illegal? The 1st Amendment clearly states that an American has the right to petition the Government. NO CHARGES WERE EVER FILED AGAINST DAVID ANDREW CHRISTENSON. THE EMAILS WRRE NEVER SUBMITTED INTO THE COURT RECORD. THIS PRESS RELEASE WAS A MISTAKE BY THE DOJ AND JIM LETTEN.

An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government. One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15th, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminants were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.

Factual, documented and verifiable account of what happened to (The Author) Captain David Andrew Christenson, United States Air Force, on March 15th, 2011.

On the morning of March 15th, 2011 the FBI brought a 30 man SWAT team, with shoot to kill orders, to arrest Captain David Andrew Christenson for a non-violent, non-domestic, non-drug misdemeanor charge (Equivalent of a DUI or DWI.) of cyber stalking FBI Agent Steven Rayes. This was done under the authority of FBI Director Robert Mueller. Misinformation was provided to the press. Six months earlier on October 14th, 2010 (This is a very important date, see below) FBI Agent Steven Rayes contacted Captain David Andrew Christenson. Why did Agent Rayes contact Captain Christenson? Agent Rayes was a member of the uniformed Violent Crimes Task Force and he was not a true investigative type FBI Agent. Captain Christenson had been communicating with FBI Director Robert Mueller, Agents David Welker, Dewayne Horner, Joseph Downing, Kelly Bryson and Paula McCants. Agent Rayes was selected by Director Mueller to be the enforcer. Agent Rayes was an ex-enlisted Marine and street cop with no conscious and was someone who would blindly follow orders understanding the illegal mission. Agent Rayes was zealous and sadistic in carrying out his orders. Agent Rayes ordered Captain Christenson to email him at his official FBI email addresses. Agent Rayes commenced to harass, stalk, threaten, intimidate and assault Captain Christenson. On November 10th, 2010 Agent Rayes assaulted Captain Christenson at the Hilton Hotel in New Orleans. There was a DVD of the assault. The FBI used a Louisiana State arrest warrant and a Louisiana State search and seizure warrant. The FBI did not use Federal Warrants. This needs to be said again. The FBI did not use Federal warrants. Captain David Andrew Christenson has never been charged with a crime. The FBI claimed that two out of more than 500 emails sent to at least 10 different FBI Agents, including FBI Director Robert Mueller, by Captain Christenson were threatening. The emails were not threatening and were consistent with previous informative and political emails. Captain Christenson never received an arraignment, a show cause hearing or a preliminary examination as is required by law. Orleans Parish District Attorney Leon Cannizzaro asked for a \$500,000.00 bond. The Orleans Parish Criminal Court gave Captain Christenson a

record bond of \$300,000.00. Captain Christenson should have been released on his own recognizance or a \$10,000.00 bond. (An armed carjacker received a \$75,000.00 bond.) Captain Christenson was held for 11 days in the Orleans Parish Prison without being charged with a crime. After day three Captain Christenson was placed in isolation on the psychiatric floor of the house of detention (HOD) where he was medicated without his knowledge or consent. Attorney General Eric Holder directed Assistant US Attorney Billy Gibbens to represent Captain Christenson, which he did. Criminal defendants are not represented by US Attorneys. Billy Gibben's mission was to discredit Captain Christenson and to keep him in prison. The court record confirms this. Captain Christenson was to be permanently detained in a psychiatric hospital, medicated and discredited. The Louisiana State search and seizure warrant was used to steal evidence, legal files, the DVD of FBI Agent Rayes assaulting Captain Christenson, the DVD of the Danziger Bridge murders, etc. from Captain Christenson. United States Supreme Court files and communications and evidence of "The Katrina Virus" and pending Genocide were stolen as well.

The Department of Justice classified Captain David Andrew Christenson as a terrorist. This was done to bypass Federal Law and the Federal Judiciary. It was relayed to Captain Christenson that if he did not stop his research and quest for justice that he would be assassinated as a terrorist.

The FBI attempted to murder/assassinate Captain David Andrew Christenson while he was being held in isolation in the Orleans Parish Prison. Coast Guard Commander William Wesley Goetzee was not so lucky. He was murdered in the Orleans Parish Prison on August 7th, 2011. The FBI failed with Captain Christenson but succeeded with Commander Goetzee.

What was so important that the United States Government had to classify Captain David Andrew Christenson as a terrorist and then attempt to murder/assassinate him?

Chemical warfare ingredients, "THE KATRINA VIRUS", were released during Hurricane Katrina. The end result will be GENOCIDE for the residents of New Orleans. ("The Katrina Virus" represents all of the contaminants that were released from government research/laboratory, manufacturing and storage facilities. These facilities were controlled directly and indirectly by the Department of Defense and the Central Intelligence Agency and included public institutions such as local hospitals and medical schools. The Harvard University Medical School has been tasked with studying and tracking the long term health/medical issues and "The Katrina Virus".

The United States Military killed, executed and murdered Americans during Hurricane Katrina and after. A side note. Secretary of Defense Donald Rumsfeld had a very public disagreement with President George Bush concerning the use of the military. Captain Christenson does not recall there ever being a public disagreement between the President and the Secretary. What is strange is that the press never picked up on the disagreement. Secretary Rumsfeld already knew about what the military had done and was concerned about the liabilities. President Bush had to order Secretary Rumsfeld to send in the troops. General Russel Honore and the troops arrived five days after Hurricane Katrina. General Honore

confirmed to me that he was only responsible for what the military did after he arrived and not before. He was adamant about that. Both he and Coast Guard Admiral Mary Landry lost promotions, their next star and were forced to retire. Why the five day delay when plans and procedures require the securing of an urban area within 72 hours after a catastrophe. There were several reasons for the delay. "The Katrina Virus" would disperse. The DOD and the CIA, in connection with the United States Navy, could clean up the mess without having the press around. It was brilliant the way the Federal Government kept the press occupied with the rescue missions, the superdome and the convention center. Louisiana Governor Kathleen Blanco was intentionally manipulated by the Federal Government and made into a scapegoat. FEMA Director Michael Brown was manipulated as well.

The BP oil spill. To be Written.

The Danziger Bridge. To be written.

Books Seven and Eight will start in September, 2005. The US Military arrives in New Orleans in the days preceding Hurricane Katrina. The units were issued millions of dollars in cash in satchels. Confirmed by Teresa McKay, Director of Department of Defense Finance and Accounting Service (DFAS). Teresa's husband, Jeffery McKay, and I attended the Air Force Academy together and were roommates in flight school. JK works in the Pentagon and is also one of my sources. In the days following Hurricane Katrina President Bush and Air Force One did a flyover of New Orleans but did not land. The White House issued a press release stating that security was not in place and that the President's landing would detract from the rescue missions. As an Air Force Pilot I flew support missions for the President, Air Force One and the Secret Service. I am intimately familiar with their procedures and protocols. President Bush and Air Force One did not land because The White House did not want to infect the President and his staff with "The Katrina Virus" as was confirmed by Ambassador Donald Ensenat. Security was in place and Belle Chase Naval Air Station was operational and secure. The senior leadership in New Orleans gave blood and DNA samples. This as well as other connections to "The Katrina Virus" were confirmed by Mayor Ray Nagin. After the Hurricane, USAA Insurance (A military insurance company run by Generals and Admirals with strong ties to the Pentagon.) informed us that they would be paying our claim because of the long term health issues that we would face. What did USAA know? In February, 2006 we purchased a condominium, under fraudulent circumstances, from Louis (Lee) Madere. He was the Louisiana State Grand Jury Foreman for the Danziger Bridge Murders. (*I cannot invent the truth*) The Catholic Church had filed a class action video voyeurism lawsuit against him. Madere entered the Federal Witness Protection Program on October 15th, 2010 (The important date from above.). Secretary of HUD, Mayor and Judge Moon Landrieu, the father of Senator Mary Landrieu and Mayor Mitch Landrieu, was a major source of information.

State Farm Insurance and the murder of prominent Los Angeles attorney James Robie of the Robie Matthai Law Firm. To be written. Please review your homeowner's policy. The medical liability provision of the homeowner's policy is substantial larger than the property loss provision. A \$100,000.00 home could have a \$5,000,000.00 medical liability provision. The loss to the insurance companies would be trillions of dollars if it was shown that "The Katrina Virus" was released.
